Dear students:

The information about the students' lunch break space for the 114-2 semester is as follows:

1. Opened lecture Buildings: Gongtong Room 104, Putong Room 203, and Xinsheng Room 201.
2. Opening Hours: From the third week of the 114-2 academic semester to the end of the 16th week, every Monday to Friday during the 5th period (12:20-13:10). The facility will be closed on national holidays and during winter and summer breaks.

Students are not allowed to use the lunch break space except for the above period to avoid affecting the progress of other courses. In addition, please abide by the following rules:

1. The use of this space is only for lunch break; another use is not allowed.
2. Avoid disturbing other people's rest caused by conversations, mobile phone ringtones and other sounds.
3. Do not turn on lighting, air conditioning or teaching equipment without permission.
4. Please take good care of your personal belongings. If there is any loss, you should be responsible yourself.
5. This space should be restored and kept clean after use.

After the student lunch break trial plan is tried out, it will be reviewed whether it will be continued in the future by examining its effectiveness.
