Winning List

※ **Notes:**

1. Winners must claim their prizes at the Curriculum Division of the Academic Affairs Office (Room 208, Administration Building, Main Campus) by presenting their ID card/passport and student ID from **June. 22, 2026, to July. 31, 2026**. Failure to claim the prize within the specified period will result in forfeiture.

2. According to the relevant provisions of the Income Tax Act, the prize falls under the category of "income from prizes or awards in competitions, contests, and opportunities." The withholding agent (school) is responsible for withholding tax at the time of payment.

If the winner is a resident individual within our country, a 10% withholding tax will be deducted from the prize amount. However, no withholding is required if the withholding tax amount does not exceed NT\$2,000 (for prizes valued at NT\$20,010 or below). The winner is still obligated to report the income.

Additionally, the withholding agent (school) is exempt from reporting if the total annual payment to the same taxpayer (student) does not exceed NT\$1,000.

For non-resident individuals, regardless of the prize amount, a 20% withholding tax at the source will be applied to the prize amount.

If the winner does not wish to comply with the above regulations, it will be considered as forfeiting the prize.
