(Currency: NTD)

Notes:

1. Except for the Graduate Institute of Interdisciplinary Legal Studies, Master's and PhD programs charge full tuition and fees for the first two years of study; from the third year onward, only basic tuition and fees are charged until students' graduation.
2. Students of the Graduate Institute of Interdisciplinary Legal Studies are charged full tuition and fees for the first three years of study; from the fourth year onward, only basic tuition and fees are charged until students' graduation.
3. Incoming exchange students are required to pay the campus computing and internet access fee and the accommodation fee (if applicable) at the time of their registration. Outgoing exchange students are required to pay full NTU tuition and fees and exchange student program fees during their exchange period in accordance with the provisions of Notes 1 and 2.
4. Credit fees will be charged additionally for those taking courses in the Teacher's Education program, language practicums, or the Biotechnology program.
5. Students studying abroad for a dual degree away from NTU must pay full tuition and fees and other required fees for each semester while studying abroad, but they may also be paid in a manner agreed upon between the degree program of their affiliated department/graduate institute/degree program and the University. Students who come to NTU for their dual degree must pay NTU administrative fees in addition to the fees agreed upon in writing during their study at NTU.
6. Visiting students will be charged in accordance with Table V below.
