- Notes:
1. Students in undergraduate programs will pay full tuition and fees during standard years of study. Seventh year interns in the Department of Medicine are exempt from paying tuition and fees. The following departments charge full tuition and four-fifths of fees for students undertaking internships: the Department of Dentistry (6th year students), Department of Occupational Therapy (4th year students), Department of Physical Therapy (4th year students in the 4-year program and 6th year students in the 6-year program, applicable for only one year for students who switch programs).
 2. For undergraduate students during their extension of study, if the number of credits (excluding physical education credits) taken is 10 or more, full tuition and fees will be charged; if the number of credits taken is 9.5 or less, credit fees will be charged according to credit(s) taken, with fees charged according to the standard of the affiliated college.
 3. Credit fees will be charged additionally for those taking courses in the Teacher's Education program, language practicums, or the Biotechnology program.
 4. Incoming exchange students are required to pay the campus computing and internet access fee and the accommodation fee (if applicable) at the time of their registration. Outgoing exchange students are required to pay full NTU tuition and fees and exchange student program fees during their exchange period.
 5. Students studying abroad for a dual degree away from NTU must pay full tuition and fees and other required fees for each semester while studying abroad, but they may also be paid in a manner agreed upon between the degree program of their affiliated department/graduate institute/degree program and the University. Students who come to NTU for their dual degree must pay NTU administrative fees in addition to the fees agreed upon in writing during their study at NTU.
 6. Visiting students will be charged in accordance with Table V below.
 7. Students participating in the Exploratory Learning program shall pay fees and the cost of one credit hour according to the standards of the College of Liberal Arts, the College of Social Sciences, and the College of Law.
