Notes:

1. Students enrolled in the NTU-Fudan EMBA program, the tuition and miscellaneous fees are paid in two installments as follows: 50% of the total fees are paid during registration in October of that year, and the remaining 50% is paid in full in July of the following year.
2. EMBA students will be charged full tuition and fees for the first six semesters of study; from the seventh semester onward, they will be charged basic tuition and fees and credit fees (the total amount of the basic tuition and fees plus credit fees cannot exceed full tuition and fees for that semester).
3. Students enrolled in the GMBA Program during or before the 2011/12 academic year will be charged full tuition and fees for the first four semesters of study; from the fifth semester onward, they will be charged basic tuition and fees for that year. Students enrolled during or after the 2012/13 academic year will be charged basic tuition and fees for each semester plus fees based on the number of credits taken.
4. Students in the EiMBA Program will be charged basic tuition and fees plus credit fees for the first six semesters of study; from the seventh semester onward, tuition and fees will be

- 1.5 times the basic tuition and fees for general master's students in the College of Management until their graduation.
5. Students enrolled in the PMBA, PMLBA, or PMBM Programs will be charged full tuition and fees for the first six semesters of study; from the seventh semester onward, basic tuition and fees plus credit fees will be charged.
 6. Credit fees will be charged additionally for those taking courses in the Teacher's Education program, language practicums, or the Biotechnology program.
 7. Reenrolled students will be charged according to the fee standards of the academic year in which they first enrolled.
 8. Outgoing exchange students are required to pay full NTU tuition and fees and exchange student program fees in accordance with the provisions of Notes 1 to 5 during their exchange period.
 9. Students studying abroad for a dual degree away from NTU must pay full tuition and fees and other required fees for each semester while studying abroad, but they may also be paid in a manner agreed upon between the degree program of their affiliated department/graduate institute/degree program and the University. Students who come to NTU for their dual degree must pay NTU administrative fees in addition to the fees agreed upon in writing during their study at NTU.
 10. The NTU-Fudan EMBA Program is suspended for the 2022/23 academic year.
