

Application for Inter-disciplinary Expertise Qualification

- A. Students (including graduates of the year who are confirmed to have completed course selection) that have completed the courses and earned the credits from inter-disciplinary subjects may apply for inter-disciplinary expertise qualification.
- B. Please fill out this application form in person. Submit it along with an academic transcript (including the course selection confirmation of the semester) and a copy of review sheet of major department graduation requirements (already approved) to the major and inter-disciplinary departments for approval stamps. Afterward, present the material to the associated Office of Academic Affairs* to proceed with the application.
- C. Application Deadline: The application shall be made by the end of October in the first semester or by the end of March in the second semester.
- D. The qualification of inter-disciplinary expertise is recognized once the application is approved. If students fail to pass the course and intend not to delay graduation, then application to cancel inter-disciplinary expertise qualification shall be made.
