10. Appendices
11. Back cover

## II. Title page (refer to Appendix 1):

Each of the following lines on the cover page should be centered: English and Chinese names of the University, college, academic department, title of the Thesis, name of author, thesis advisor, and the year of submission (including the ROC era and the Gregorian calendar-based Common Era).

## III. Approval Letter from the Oral Examination Committee (refer to Appendix 2)

The Bachelor's Thesis must be approved by **three (3) oral examiners (including the thesis advisor)** and the department chair (whether personal seals are required will depend on the relevant college or department), as evidenced by their signatures (and personal seals, if required) on the Approval Letter from the Oral Examination Committee on the second page of the Thesis.

## IV. Abstract in Chinese:

\* No more than three (3) pages; include the main arguments, methods or procedures, discussion and conclusion.

\* **If the Thesis is written in English, an Abstract in Chinese is still mandatory.**

## V. Abstract in English:

No more than three (3) pages.

VI. Table of Contents (refer to Appendix 3):

Include the titles of all chapters and sections, references, appendices and their corresponding page numbers.

VII. List of figures: Include the figures and diagrams in all sections and chapters and their corresponding page numbers (if a figure is obtained from one of the cited references, the source and credit must also be provided).

VIII. List of tables: Include the tables in all sections and chapters and their corresponding page numbers (if a table is obtained from one of the cited references, the source and credit must also be provided at the table as it appears in the Thesis).

IX. Main body of the Thesis

- \* The Thesis should be written in either Chinese or English and printed double-sided. However, if the Thesis has 80 or fewer pages, it may be printed single-sided (figures and diagrams in color may also be printed single-sided regardless.)
- \* Paper: The Thesis should be printed on and bound with white A4 paper.
- \* Typefaces and font sizes: In general use 12-point regular script 楷書 (preferably MingLiU 細明體 and DFKai-SB 標楷體) for Chinese text and 12-point Times New Roman for English text. Font color: Black. Use punctuation marks. Do not redact any passages from the Thesis or mark it unnecessarily. Do not use carbon paper. The page number on each page should be placed at the center bottom.

X. References

List all cited Chinese and/or English journal articles and books, including the surnames of authors, years of publication, bibliography, technical data or journal titles, editions, and page numbers.

XI. Cover (and back cover):

The Bachelor's Thesis should be bound (in A4 size).

Remark: Regulations regarding the submission of an award-winning Thesis to the NTU Library

**The NTU Library collects one copy of the thesis granted the Fu Si-nian Award and one copy of the thesis granted the President Award (including electronic files). However, the format should follow that of the complete version of the Bachelor's Thesis Format.**
